

Cool Kind Kid®

Song Lyrics

1. Cool Kind Kid

My name is Tanner, and I'm not a fool
I know that manners are a way to be cool
It doesn't matter if I'm home or at school
Manners can be really cool

I've seen the kids who don't know how to behave
Nobody likes them when they don't act their age
Nobody wants to be a friend anyway
To a silly kid who doesn't behave

Chorus:

I don't want to be a bully with an attitude
Whose mouth is like a trashcan lid
I don't want to be a person who is mean and rude
I just want to be a cool kind kid
I just want to be a cool kind kid

So come along with me, and you will find
It's so cool to be kind
It's so cool to be kind

(Chorus)

2. That is Why

Why should I be careful with the words I say?
Why should I treat people in a caring way?
(Cause if you make somebody's feelings hurt
It's only gonna make you feel like a jerk)
And, I'd really rather be a nice guy
(Yes, you'd really rather be a nice guy)

Chorus:

That is why I should be polite
That's why proper is always right
That is why well mannered is the way to be
That is why polite is right for me

Why should I treat everybody with respect?
Why should I think kindness always is correct?
(Cause if you don't show the respect you should
People will be thinking that you're no good)
And, I really ought to be a nice guy
(Yes, you really ought to be a nice guy)

(Chorus)

3. Introductions

Meeting new people is so much fun
Here's a little song to show you how it's done
It's called "Introductions"
Example Number One is what you don't do
Here's Mr. Mumbles to walk you through
Mr. Mumbles Introductions...

Meeting new people is so much fun
Here's a little song to show you how it's done
It's called "Introductions"
Example Number Two is what you want to do
Here's Easy Eddie to walk you through
Easy Eddie's Introductions...

4. Magic Word Mambo

Chorus:

C'mon, c'mon do you know
How to sing the Magic Word Mambo?
Sing along and you will know
How to sing the Magic Word Mambo
MAMBO mambo MAMBO
Sing the Magic Word Mambo

Hello, good-bye, good morning, good night
Everybody say PLEASE
Everybody say THANK YOU
Everybody say YOU'RE WELCOME
Everybody say I'M SORRY
Everybody say EXCUSE ME
And most importantly
Everybody say I LOVE YOU

(Chorus)

Hello, good-bye, good morning, good night
Please and thank you
You're welcome all right!
I'm sorry and excuse me, too
And most importantly I love you!

(Repeat stanza and Chorus)

5. Blurty

Chorus: It's Blurty the bozo blurting it out
Looking kind of funny
With his foot in his mouth
He's learning his lesson
Each day of the week
To think before you speak

He's at it once again (oh no, oh no)
Blurty and his big mouth (have got to go)
Children: My dad's a doctor...
...My dad's a fireman...My dad's an astronaut
Blurty: Well, MY dad's a Doctofiretronaut!

(Chorus)

Blurty's back again (oh my, oh my)
What he did this summer (must be a lie)
Children: I went camping...
...I went to the beach...I went to Cancun
Blurty: Well, I went snowboarding on the moon!

Do you think he learned his lesson?
(not yet, no way)

His imagination (has run away)
Children: I have a puppy...I have a kitty cat ...
...I have an iguana...
Blurty: Well, I have four baboons, two giraffes
And a llama!

(Chorus)

6. When the Telephone Rings

When the telephone rings, the telephone rings
All you've got to know is a couple of things
Say hello, be polite
Speak clearly and you'll do all right
When the telephone rings

7. Wanda and Luggo

Do you wanna be like Wanda?
Or do you wanna be a lame-O Luggo?
Wanda sits in her chair nice and neat
Luggo thinks that tabletops are for feet
Wanda puts her napkin neatly on her skirt
Luggo wipes his mouth on his shirt

Chorus:

Do you wanna be like Wanda?
Or do you wanna be a lame-O Luggo?
If you're kinda fond of Wanda
Then you really oughta know

That lame-O Luggo fellow's gotta
GO GO GO
That lame-O Luggo fellow's gotta go
Wanda always has something nice to say
Luggo treats people in an ugly way
Wanda says "excuse me" when she's gotta leave
Luggo wipes his nose on his sleeve

(Chorus)

Wanda fixes herself up properly
Luggo always dresses so sloppily
And when it comes to cleanliness
Wanda's got a way
Luggo wears the same shirt every day

Do you wanna be like Wanda?
Or do you wanna be a lame-O Luggo?
If you're kinda fond of Wanda
Then you really oughta know
That lame-O Luggo fellow's gotta
GO GO GO

That lame-O Luggo fellow
Whose shirt is turning yellow
That lame-O Luggo fellow's gotta go

8. Polite to Me

Everybody who knows me
Knows I'm good to my body
'Cause I can be polite to me
I'll take a shower, wash my hair
Wear nice clothes because I care
I can be polite to me

Chorus:

I'm gonna do what's best for me
I want to take good care of me
I've only got one life, you see
So I'm gonna be polite to me
I'll exercise, eat healthy foods
I won't burp loudly 'cause that's rude
I can be polite to me

(Chorus)

Everybody who knows me
Knows I'm good to my body
I can be polite to me

9. My Family

I'm thankful for my home
 A place to call my own
 I'm thankful for the ones who love me
 I will show them every day
 I'm thankful for the way
 That we can live and learn together

Chorus:

My family
 You're a very big part of me
 And no matter what I go through
 I'm leaning on you

My family
 I'm keeping you close to me
 I love you
 My family

And when my will is strong
 It's hard to get along
 But family is more than just me
 So I will learn to give
 Making room to live
 Honoring all those around me

(Chorus 2x)

10. Rude Rudy

Rude rude Rudy
 Bad attitude-y
 You're gonna lose your friends
 'Cause you act so snooty
 Rude rude Rudy
 You've got a bad attitude
 You're a really, really, really rude dude
 You've got no manners
 'Cause that's your style
 You're about as crude as a crocodile
 Rude rude Rudy
 You'd better be believing that your
 Friends are all gonna be leaving you
 So long...

You've been teasing, tattling
 Staring, swearing, bragging, bullying
 Don't lie, you know you've been
 Really really rude
 It won't be long 'til your friends
 Will be saying "so long"

Rude rude rude rude Rudy
 Rude rude rude rude Rudy

Why you wanna put everybody down?
 In a little while your friends won't be staying
 In a little while your friends won't be sticking
 In a little while your friends won't be hanging
 Around

(Why do you gotta be so rude?)

11. The Best Friend I Can Be

I really want to be
 The best friend I can be
 I'll do everything I can
 For a friend in need
 To lend a helping hand
 To try and understand
 I'll listen to them when they talk to me

Chorus:

I'll be the best friend I can be
 And treat my friend exactly how
 I'd want them to treat me
 And in the end I will see
 That I will always have a friend
 'Cause I've been the best friend I can be
 And if my friend may be different than me
 I'll accept them as they are
 And who they want to be
 And I will always try
 But if I make them cry
 I'll be sure to tell them I'm sorry

(Chorus 2x)

12. Margie's Slumber Party

Margie asked her mommy
 "Mommy, can I have a slumber party?"
 Her mom said, "Great! How 'bout Friday at eight?"

Margie said, "Oh boy! I just can't wait!"

Margie made up invitations
 That included all the details
 Like Where, When, and Why
 With a map inside
 I just got mine in the mail
 I'm going to...

Margie's slumber party
 It's gonna be a whale of a time
 She throws the best parties
 In the whole wide world
 I'm so glad she's a friend of mine
 I'm going to Margie's slumber party
 And I'll be sure to R.S.V.P.
 For Margie's slumber party

When I finally got there
 Margie said,
 "I'm so glad you came!"
 And then she introduced me
 To all of her friends
 I hope I can remember their names
 We watched all our favorite movies
 And talked like it was a gabfest
 And if I may boast
 She's the host with the most
 Margie's parties are the best
 I really like...

Margie's slumber party
 It really is a whale of a time
 She throws the best parties
 In the whole wide world
 I'm so glad she's a friend of mine
 I really like Margie's slumber party
 And I'll be sure to thank her when I leave
 Margie's slumber party

13. Write it Down

Whenever you get a present
 Remember, it's the thought that counts
 And if you're not happy with it
 It's better not to announce
 But a smile and a "thank you"
 Will always ring true
 And a friend whose heart is good as gold
 Knows exactly what to do

Chorus:

Write it down, write it down
 Right away, go write it now
 Just to say you're grateful
 For the gift you got
 A simple thank you note sure means a lot
 Although it may seem easier
 To call them on the phone instead
 Or send an email message over the Internet
 Just remember how exciting it is
 To get stuff in the mail
 When it comes to making thank you's count
 Good friends never fail to . . .

(Chorus)

14. School Rules

Every day that I'm in school
 I can live the Golden Rule
 I give teacher due respect
 Teacher gives respect right back
 I don't mind my school
 'Cause I know school can be cool

Chorus:

When it comes to making
 Good friends every day
 School rules
 When it comes to growing
 Wiser in every way
 School rules
 My mind is something
 I won't waste away
 School rules

I'll remember my homework
 I'll listen and I'll stay alert
 I'll take notes, write it down
 I don't need to clown around
 I don't mind my school
 'Cause I know school can be cool

(Chorus)

I don't mind my school
 'Cause I know school can be cool

(Chorus)

15. Manners Matter Everywhere

When I'm walking out the front door
 (Doo De Do)
 Do manners matter anymore?
 (Yes, they do)
 But what if I just go next door?
 (Take 'em with you)
 How 'bout in the grocery store?
 (Even there, too!)
 I know wherever I go
 That manners go with me, too

Chorus:

'Cause manners matter everywhere
 I'm gonna show everybody out there
 That manners and I make a perfect pair
 'Cause manners matter everywhere

When I'm going to the mall
 (Doo Da De)
 Do manners go with me at all?
 (Certainly)
 How 'bout when I'm on a train?
 (Absolutely)
 Even when I'm on a plane?
 (Positively)

(Chorus)

On the playground (manners really matter)
 When I'm downtown (manners really matter)
 Riding in the car (manners really matter)
 Walking in the park (manners really matter)
 When I'm out to eat (manner really matter)
 When I take my seat (manners really matter)
 At the movies (manners really matter)
 (Spoken) Manners are groooovy!

'Cause manners matter everywhere
 I'm gonna show everybody I CARE!
 'Cause manners and I make a perfect pair
 Manners matter everywhere

16. Dan's Disastrous Dining Dilemma

Dan's disastrous dining dilemma
 Dan's disastrous dining dilemma

Chorus:

He thought it was a very bad dream
 But it was for real
 He forgot all his table manners
 When he sat down for a meal

With his relatives
 His mother said
 "Daniel, sit up straight, you've
 Practically got your head on your plate"
 His father said:
 "Son, are you unable to keep
 Your elbows OFF of the table?"
 Dan's disastrous dining dilemma

His grandma said
 "Danny, be a good boy
 Broccoli is a vegetable, not a toy"
 His grandpa said
 "Sonny, if you want the butter,
 Ask politely, don't mumble and mutter"
 Dan's disastrous dining dilemma

His uncle said:
 "Now partner, I'm from the South
 We don't talk with food in our mouth"
 His auntie said:
 "Daniel, what brought this about?
 You are REALLY grossing me out!"
 Dan's disastrous dining dilemma

Chorus:

He thought it was a very bad dream
 But it was for real
 He forgot all his table manners
 When he sat down for a meal
 With his relatives
 Dan's disastrous dining dilemma
 Dan's disastrous dining dilemma

17. True American

My friends and family
 Are all a part of who I am
 But I want the world to see
 That I am here to help my fellow man

Chorus:

This country is my home
 And home is where the heart is
 But when I love this world the best I can
 I will be a True American

So where do I begin
 This world's a great big place, it's true
 But I know if we join hands
 Together we'll know just what we can do

(Chorus 2x)
